

NAZIA YESMIN

Final-Year Computer Science & Engineering Student | AI & Machine Learning Enthusiast | Data Analysis

Chattogram, Bangladesh | 01821584602 | 01629646228
naziayesmin21@gmail.com | linkedin.com/in/naziayesminkhan

SUMMARY

Final-year Computer Science and Engineering student with experience in remote team leadership, workflow coordination, and quality-focused task management. Passionate about Artificial Intelligence (AI), Natural Language Processing (NLP), Data Annotation, and Machine Learning. Skilled in data evaluation, reporting, problem-solving, and maintaining high-quality standards. Strong communication skills in Bengali and English with excellent attention to detail. Seeking opportunities to contribute to AI, data annotation, and software projects while expanding technical expertise.

WORK EXPERIENCE

Squad Leader

GAOTEK Inc. | Remote

July 2025 – October 2025

- Supervised and supported team members in a remote work environment.
- Coordinated assigned tasks and monitored team performance.
- Followed project guidelines to ensure accuracy, consistency, and timely task completion.
- Maintained work quality by reviewing assigned tasks and supporting team members in resolving issues.
- Communicated effectively with team members to ensure smooth workflow and collaboration.
- Prepared activity and performance reports with attention to detail.
- Strengthened skills in quality assurance, guideline compliance, communication, teamwork, and task management.

EDUCATION

Bachelor of Science in Computer Science and Engineering (BSc in CSE)

International Islamic University Chittagong (IIUC)

Expected Graduation: 2026

Result: First Division/Class

Higher Secondary Certificate (HSC)

Mohila College Chattogram

Group: Science | Passing Year: 2020

GPA: 5.00

Secondary School Certificate (SSC)

St. Scholastica's Girls' High School

Group: Science | Passing Year: 2018

GPA: 4.56

ACADEMIC PROJECT / RESEARCH

Multilingual Fake News Detection Using Bangla-English Social Media Data

Research Areas: Natural Language Processing (NLP), Machine Learning, Deep Learning, Text Classification, Artificial Intelligence

- Developing a lightweight deep learning architecture for real-time multilingual fake news detection.
- Working with Bangla-English social media data using NLP and Machine Learning techniques.
- Applying data preprocessing and text classification techniques for AI-based fake news detection.

CORE SKILLS

- Artificial Intelligence (AI)
- Natural Language Processing (NLP)
- Machine Learning
- AI Data Evaluation
- AI-Generated Content Evaluation
- Speech and Text Evaluation
- Data Quality Assessment
- Guideline Compliance
- Quality Assurance
- Data Analysis
- Attention to Detail
- Communication
- Problem-Solving
- Reporting & Documentation
- Remote Work
- Linguistic Quality Evaluation

TECHNICAL SKILLS

Microsoft Word | Microsoft Excel | Microsoft PowerPoint | Computer Applications | Machine Learning | NLP | Deep Learning | Data Preprocessing | Data Analysis | Basic Programming | Digital Tools

CERTIFICATIONS

Trust, Transparency, Optimization: Rethinking AI Systems for Real-World Adoption

International Islamic University Chittagong | June 2026

Certificate of Training in Human Resources

GAOTEK | 2025

Certificate of Training in Digital Marketing

GAOTEK | 2025

Journey to the Tech Giant: Amazon

International Islamic University Chittagong | 2025

TRAINING

Human Resources Training

GAOTEK Inc. | Remote | 2025 | 4 Months

Topics: Team Management, Squad Leadership, Reporting, Client Communication, Team Coordination

LANGUAGE PROFICIENCY

- Bengali: Native
- English: Professional Working Proficiency (Reading: Advanced | Writing: Advanced | Speaking: Intermediate)

ADDITIONAL INFORMATION

Work Preference: Remote / Work From Home

Availability: Part-time / Flexible Schedule

Location: Chattogram, Bangladesh
